

BIAS *histories*

BIAS *histories* 1 - *The Avon Navigation* by Brenda J Buchanan

This tells the story behind the planning and work undertaken to alter the River Avon near Bath so that vessels could ply between Bath and Bristol.

BIAS *histories* 2 - *The Bristol City Docks and The Underfall Yard* by Tom Fisher, David Jones and Roy Day

Provides an explanation of the Tangyes steam engine that powered the workshops, a description of some of the large machinery also in the workshop as well as The Underfall Yard itself.
